Dear/Annwyl

Walk In Downing Woods: Friday/Gwener 15th 2016:

On behalf of the Cymdeithas Thomas Pennant group of walkers in Downing Woods on Friday/Gwener/July/Gorffennaf 15th 2016, I would just like to thank Dr, Goronwy Wynne and Dr. Mark & Mrs Ann Rowlands for guiding our walk in Downing Woods. It was a most enjoyable and informative experience and the weather was, at last, kind to us!

I would also like to apologise to Jim and Ann Wragg who had agreed for us view the boundary of Downing Hall and to Gary and Rachel Von Borstel who had also agreed for us to look at The Walled Garden. In the event, we did not have time to visit the site of Downing Hall and the Walled Garden and we are very sorry about this. But the group are very anxious on a future occasion, to visit the site of Downing Hall and The Walled Garden and perhaps, this can be arranged?

Again, many thanks and we will keep in touch.

With all good wishes, diolch yn fawr,

Yours sincerely,

(Paul Brighton)
